We suggest that you enter your maximum bid to prevent losing an item that you are bidding on. The system will enter your bids as other bids are received. You will not be charged the maximum bid unless other bids are received from auction bidders. If you bid and see "winning," wait for about 30 seconds to make sure there is not a max-bid in the queue, if so, it will flash "losing" if your bid was not higher. This is essential during the auction closing when the bid extends for 2 minutes. Max bids take precedence since they were given at an earlier time. -
